By FLEETWOOD CHURCHILL, M.D., M.R.I.A., Physician to the Western Lying-in-Hospital, Lecturer on Midwifery, etc. With Notes and Additions, by ROBERT M. HUSTON, M.D., etc. With 116 illustrations. 8vo. pp. 519. Philadelphia: Lea & Blanchard. 1843, ... ib.

ART. XXI.—The Dissector, or Practical and Surgical Anatomy. By ERASMUS WILSON, Author of a "System of Human Anatomy," etc. With 106 illustrations. Modified and re-arranged by PAUL B. GODDARD, M.D., Demonstrator of Anatomy in the University of Pennsylvania. Philadelphia: Lea & Blanchard. 1844. 12mo. pp. 444, . . 106

ART. XXII.—Report of a Committee of the Medical Society of Delaware, assigning reasons why the Society should surrender its Charter to the General Assembly. Wilmington: 1843, ... ib.

ART. XXIII.—Lecture, introductory to a Course on the Principles and Practice of Surgery, in the University of Pennsylvania. Delivered Nov. 6, 1843. By WILLIAM GIBSON, M.D., ... 108

PART III.—1. FOREIGN MEDICAL INTELLIGENCE.

ANATOMY AND PHYSIOLOGY.

1. Anatomy of the Nervous System, ... 109
2. On the presence of vegetable Germs in the fluids of animals, . . 110
3. Case of Precocious Puberty, ... 111

MEDICAL PATHOLOGY AND PRACTICAL MEDICINE.

4. On the successful employment of Belladonna as a prophylactic during the prevalence of epidemic Scarlatina, ... ib.
5. Atrophy of the Heart in Phthisis, ... 112
6. Erosion of Branches of the Pulmonary Artery traversing tubercular Cavities, ... ib.
7. Case of Atrophy of the Testicle from excessive Masturbation, . . 113

Page

8. Advantages of system in Medical Inquiries, ... 114
9. Blood diseased in Glanders, ... ib.
10. Treatment of Cephalalgia, ... ib.
11. Poultices made with Sea-water, ... ib.
12. Remedy for Cough, ... ib.

PATHOLOGICAL, THERAPEUTICAL, AND OPERATIVE SURGERY.

13. Recent discovery of Spermatozoa, in the fluid of an encysted hydrocele of the Testis, ... 115
14. Solvent for Urinary Calculus, ... 116
15. Perforating ulcer of the Appendix Vermiformis, ... ib.
16. Vegetations of the Semilunar Valves, causing Patency, . . . 117
17. Detached Bodies found in Bursæ, ... ib.
18. Hernia, Hydrocele, and Spermatocele, ... 118
19. Orthopedy, ... ib.
20. Gravel removed by Aspiration, ... ib.
21. Paraphymosis cured by Cold Affusion, ... ib.
22. Removal of Calculi from the bladder of a Horse, ... 119
23. How to make Leeches bite, ... ib.
24. Cure of an erectile Tumor of the face by means of the Vaccine Virus, ib.
25. On the employment of Belladonna in the treatment of Phymosis and Paraphimosis, ... 120
26. Statistics of strangulated Hernia treated at Wurtzbourg, . . . ib.
27. An elegant Sticking Plaster, ... ib.
28. On the local treatment of Chancres, ... ib.
29. Neuralgia from Sympathy with a diseased Tooth, ... 121
30. On the use and abuse of Filing to remove Irregularities of the Teeth, ib.
31. Decadence of a brilliant Operation, ... 122
32. Iodine Injections in Hydrocele, ... ib.

OBSTETRICS AND DISEASES OF FEMALES.

33. Effects of Menstruation on the Secretion of Milk, ... ib.
34. Tannin in Uterine Hemorrhage, ... 123
35. Ædopsophia, or noisy expulsions of Gas from the Vagina, . . ib.

TOXICOLOGY AND MEDICAL JURISPRUDENCE.

36. The Poison of Copper eliminated through the Lungs, ... 124
37. Arsenic administered to Sheep, ... ib.
38. Toxicological effects of Sulphate of Quinine, ... ib.
39. Death from Lucifer Matches, ... ib.
40. Answers returned by the fifteen Judges to the Questions on the "Plea of Insanity," submitted to them by the House of Lords, . . 125

MISCELLANEA.

41. Formulæ used in Guy's Hospital for reporting Cases, ... 126
42. Influence of Season on Sickness, ... 128
43. Fork-grinders, ... 129
44. Influence of Climate on Pulmonary Diseases, ... 130

☞ All letters in regard to the *business* department of the Journal, and all remittances of money, should be addressed *exclusively* to the publishers, Messrs. J. & H. G. Langley; but books for Review and Communications designed for publication, should be directed, *free of expense*, to Samuel Forry, M.D., Editor of the New York Journal of Medicine, care of Messrs. J. & H. G. Langley. Persons at a distance may direct parcels, paid as above, under cover of Barrington & Haswell, Philadelphia, W. D. Ticknor, Boston, and Wiley & Putnam, London.

Postmasters, it will be borne in mind, are authorized by law to frank letters containing money for the subscription of periodicals.

*** For Prospectus see fourth page of the cover.

TO READERS, CORRESPONDENTS, ETC.

We would ask the attention of our readers to the new and improved typographical dress in which this number appears.

The scientific reader will not fail to appreciate our efforts in obtaining the extended and precise Meteorological Observations, which will continue to be a feature of this Journal. As soon as the press of our original matter will allow, we purpose devoting special attention to this fruitful theme.

Contributions have been received from Drs. Griscom, Bulkley, Witherspoon, and Morrell. We would repeat that no anonymous communication is admissible.

We have to acknowledge the receipt of the following works:

A Lecture on the Magnetism of the Human Body, delivered before the Apprentices' Library Society of Charleston. By Robert W. Gibbes, M.D., of Columbia, S. C.

Instructions and observations concerning the Use of Chlorides of Soda and Lime. By A. G. Labarraque, Pharmaceutist, of Paris, etc. Translated by Jacob Porter, Member of the American Antiquarian Society, etc. (From the Translator.)

Proceedings of the Medical Society of the State of Tennessee, at the fourteenth Annual Meeting, held at Nashville, May, 1843.

Medical Clinic: Diseases of the Chest. By G. Andral, Professor to the Faculty of Medicine of Paris, Member of the Royal Academy of Medicine, etc. Translated by D. Spillan, M.D. Philadelphia: Barrington & Haswell. 1843. (From the Publishers.)

The Anatomy, Physiology, Pathology, and Treatment of Cancer. By Walter Hayle Walshe, M.D., Professor, etc. With Additions by J. Mason Warren, M.D., etc. Boston: W. D. Ticknor & Co. 1843. (From the Annotator.)

Dental Visitor. By J. W. Smith, M.D., Northampton, Mass.

Principles of Medicine: comprising General Pathology and Therapeutics, and a brief general view of Etiology, Nosology, Semeiology, Diagnosis, and Prognosis. By Charles J. B. Williams, M.D., F.R.S., etc. With Additions and Notes by Meredith Clymer, M.D. Philadelphia: Lea & Blanchard. 1844. (From the Publishers.)

Anatomical Atlas, illustrative of the Structure of the Human Body. By Henry H. Smith, M.D. Philadelphia: Lea & Blanchard. 1844. (From the Publishers.)

Review of Dr. Caldwell's Pamphlet, entitled "Physiology Vindicated," in a Critique on Liebig's Animal Chemistry. By Robert Peter, M.D., etc. Cincinnati: 1843.

A Treatise on Dislocations and Fractures of the Joints. By Sir Astley Cooper, Bart., F.R.S., Sergeant Surgeon to the King, etc. Edited by Bransby B. Cooper, F.R.S. Philadelphia: Lea and Blanchard. 1844. (From the Publishers.)

On the Nature and Treatment of Stomach and Renal Diseases, etc. By Wm. Prout, M.D., F.R.S. Philadelphia: Lea & Blanchard. 1843. (From the Publishers.)

Practical Medicine: Illustrated by Cases of the most important Diseases. Edited by John M. Galt, M.D., Philadelphia: Ed. Barrington & Geo. Haswell. 1843. (From the Publishers.)

The Principles and Practice of Medicine. By John Elliotson, M.D., etc. With Notes and Additions by Thomas Stewardson, M.D. Philadelphia: Carey & Hart. 1844. (From the Publishers.)

A Practical Treatise on the Diseases of Children. By D. Francis Condie, M.D., etc. Philadelphia: Lea & Blanchard. 1844. (From the Publishers.)

The American Journal of the Medical Sciences. (In exchange.)

The Boston Medical and Surgical Journal. (In exchange.)

The Medical Examiner. (In exchange.)

The St. Louis Medical and Surgical Journal. (In exchange.)

The Bulletin of Medical Science. (In exchange.)

The American Journal and Library of Dental Science. (In exchange.)
